Date:

Class:

Teacher:

EAL/SEN/G&T

Lesson objectives

To introduce the first set of phonics sounds/phonemes in French. The sounds introduced in this lesson are:

ch ou on oi

Lesson structure (with approximate timings)

- **Starter:** Explain aim of the lesson to the pupils: to look at the first set of 4 out of a total of 18 essential French sound patterns/phonemes so that pupils will improve their French pronunciation and also be able to speak with improved accuracy in French. 5 mins
- **Main body:** Start introduction of the first set of 4 French sounds/phonemes. See Teacher Support Notes for PowerPoint breakdown and guidelines on how to best use the slides. 25 mins
- **Plenary:** Can the pupils remember the 4 phonemes/phonetic sounds we learnt in the lesson? Can they also remember and repeat the French word associated with this sound? 5 mins
- **Consolidation:** Use the print-out sheets for desk-based activities found in the Worksheets tab. 10 mins

Suggested follow-up activities

- Use a dictionary to find other words containing the 4 French phonemes from the lesson.
- Play the karaoke song video/mouth mechanics guide video to practise the phonetic sounds and pronunciation.
