Our SEND Vision at St Mary Magdalene CE Primary School

Our vision for children with Special Educational Needs and/or disabilities at St Mary Magdalene is:

That we will be able to instil high aspirations for now and their future selves by having confidence in their own strengths and abilities. All children with SEND have a sense of belonging within our school community, which supports them to thrive and feel valued throughout their school life.

To help us to achieve our vision, we aim:

- to create an environment that meets the special educational needs of each child;
- to ensure that the special educational needs of children are identified, assessed and provided for;
- to make clear the expectations of all partners in the process;
- to identify the roles and responsibilities of staff in providing for children's special educational needs;
- to enable all children to have full access to all elements of the school curriculum;
- to ensure that parents are able to play their part in supporting their child's education;
- to ensure that our children have a voice in this process
