

What will Maths look like at St Mary Mags?

Hour long Maths sessions every day focusing on skill development and problem solving. These will be differentiated to suit the needs of all children.

Mental Maths starter at the beginning of each lesson focusing on mental strategies.

Mastery lessons with opportunities for guided practice and Independent application in all sessions. Adaptive teaching for children who need additional support.

A bank of practical resources available for all year groups in the classroom.

At the core, we focus on quality teaching with learning opportunities for all children.

Weekly facts sessions for KS1 focusing on addition and subtraction facts.

Times tables program for years 2-4 focusing on lasting recall.

Times table teaching structure for September 2022

We are going to be focusing on one times table per half term with opportunities built in to practice those previously learned.

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
